) TARIFFS

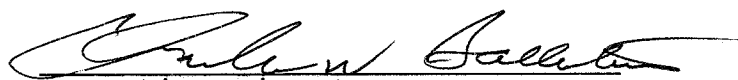

On October 24, 1990, Carolina Power and Light Company (CP&L) filed with the Public Service Commission of South Carolina (the Commission) twenty-five (25) copies of CP&L's revised tariffs as required in Commission Order No. 90-867, dated September 13, 1990, in the above-referenced docket. The rates filed by CP&L contained a fuel component of 1.650 cents per KWH.

The Commission finds that the tariffs are in compliance with Commission Order No. 90-867 and should be approved. Additionally, CP&L revised its tariffs so that beginning in 1991, Easter Monday is removed as an off-peak holiday in CP&L's time-of-use rates as previously approved by Order No. 88-384, dated April 7, 1988 in Docket No. 86-468-E.
